Enrolling K3 - 12 for 2020-2021 (5 days In Class)

"Faith over fear." This phrase has been everywhere lately-on blogs, on social media, art work and even on T-shirts. It is a simple phrase but means so much and is so much easier said than done. Beginning a new school year in general can always make students, teachers and parents all feel apprehension. With this past school year full of uncertainty and unrest, this upcoming school year is sure to have a lot of us feeling fearful. We have to remind ourselves that our fear is natural while our faith in God is supernatural. Regardless of what we see, hear, feel, touch or taste, faith says "I trust God and His Word more". Isaiah 41:13 says "For I am the Lord, your God, who takes hold of your right hand and says to you 'Do not fear; I will help you.'" There will always be unknowns. There will always be things out of our control. There will always be bumps in the road. The "what-if's" in life only have power over us when we forget "what-is": God is with us. Through the joyous times and through the scary times. Through our happiness and through our fear. What lies ahead for all of us is not a mystery to God. We don't need to wonder what will happen in our future. We already know that whatever comes, we will face it with God leading us.

These days, there are plenty of reasons to be fearful. Our world seems to be in a continuous state of crisis. Although everything is changing at rapid speed, God is not. He is the same faithful God before the unrest that He will be once it passes. Our faith can be steady because our God is faithfully unchanging. Don't let your fear over ride your faith. Our God is a Mighty God- He will lead us through this in His own way. As a lot of us head back to school in just a few weeks whether it be virtually or in-person, remember to let your faith in Him be stronger than your fear.
